

Audiology 3 Charging unit

L 2015

Description

Cat. No. 09828

The L 2015 quick-charging unit automatically recharges two Sennheiser BA 2015 rechargeable battery packs. The battery packs are either inserted directly into the charger or remain in their bodypack transmitters/receivers of the 2015 System or the evolution wireless G2 300 and 500 Series.

Features

Convenient quick-charging
 Charging unit recognizes a fully charged battery and automatically switches to trickle charging
 Temperature and voltage are monitored for increased safety
 Bodypack transmitters/receivers are automatically switched off when they are inserted into the L 2015
 Long battery life due to overcharge protection and regeneration of exhausted batteries
 Automatic fault detection
 Several charging units can be daisy-chained and powered by one power supply unit
