Ricoh GX2500 Color Printer

Get More Color for Less

Surprisingly rich color. Business-ready speed. Dependable performance. The RICOH® GX2500 color printer delivers all this and more in a compact, cost-saving design for workgroups with up to four users. Its GelSprinter™ technology blends the speed and quality of laser with the affordability of inkjet, enabling you to print eye-catching color, maintain high productivity and reduce expenses.

Fast Results for Low-Volume Work

Get all the convenience of a color inkjet printer, plus faster speed, more reliable operation and visibly better image quality.

- Enhance efficiency with laser-like speed. The GX2500 produces 28 pages-per-minute in color and black & white, and first color print time is just 9.0 seconds.
- Print vivid, vibrant color documents with resolution up to 1200 x 1200 dpi, 2-bit color (3600 x 1200 dpi equivalent).
- Expect outstanding business-quality color from an improved viscous-ink formulation. Quick-drying gel droplets bond easily with plain or glossy paper, preventing smearing and bleed-through.
- Maximize image integrity with GelSprinter™ ink, which is waterproof and resists fading when exposed to sunlight. This ink is perfect for adding color to reports, proposals, spreadsheets and other important documents.

Low Total Cost of Ownership

Schools, real estate firms, insurance offices and other cost-conscious organizations get outstanding color for a small investment with the GX2500.

- Save money with one of the lowest acquisition costs in the Ricoh portfolio.
- Cut color costs dramatically with Level Color Mode, which reduces ink density up to 65% for graphics and images without affecting the readability of text. Best of all, this mode makes your color cost-per-page the same or less than black & white.
- Reduce cost-per-page with ink cartridges that provide higher capacity than most inkjet cartridges. Also, the GX2500 does not require expensive inkjet paper.
- Minimize operating expenses with Energy Star® compliant power consumption and a printhead that never needs to be replaced.

Superior Usability

User-friendly features ensure easy operation.

- Save space on the desktop with a compact, flat-top design.
- Prevent downtime by monitoring printer status with the @Remote™ utility.
- Optimize uptime by alerting administrators via e-mail when supplies are low.

* Requires the optional Network Interface Card.

Engine Specifications

Main Unit:	GX2500
Configuration:	Desktop
Technology:	Piezo inkjet system
Resolution:	True 1200 x 1200 dpi, 600 x 600 dpi, 300 x 300 dpi (Maximum 3600 x 1200 dpi equivalent)
Print Speed*:	28 pages-per-minute in B&W and full-color
First Print Speed:	B&W: 6 seconds or less Color: 9 seconds or less
Dimensions (W x D x H):	16.38" x 17.3" x 9.8" / 416 x 440 x 249 mm
Weight:	28.6 lbs. / 13 kg
Warm-Up Time:	35 seconds or less
Power Source:	100 – 120V, 50/60Hz
Power Consumption:	35W or less
Energy Saver Mode:	4W or less
Paper Capacity:	Up to 250 sheets
Output Capacity:	150 sheets (face up)
Acceptable Paper Sizes:	3.5" x 5.5" – 8.5" x 11"
Acceptable Paper Types:	Plain Paper, Inkjet Plain Paper, Recycled Paper, Thick Paper, Postcards
Paper Weight:	16 – 42 lb. Bond / 90 lb. Index (60 – 157 g/m ²)
Safety Regulations:	UL60950, FCC Class B, Energy Star compliant

*Speed depends on type of document and print mode selected.

Controller Specifications

CPU:	TMPR4951BFG @ 200 MHz
Memory:	16 MB RAM standard/maximum
Language:	Ricoh RPCS (Refined Print Command Stream) Raster
Standard Interfaces:	USB 1.1/2.0
Network Protocols:	TCP/IP
Operating Systems*:	Windows 98/Me/NT4.0/2000/XP/Server 2003/Vista
Bundled Software Utilities:	SmartDeviceMonitor for Admin, SmartDeviceMonitor for Client

*UNIX/Novell/SAP environments are not supported.

Accessories and Supplies*

Network Interface Board	
Type GX3a:	Order# 405659 Provides Ethernet 10/100Base-TX interface for shared use
Yellow Cartridge	
(Regular Yield**):	1,000 pages @ 5% coverage
Magenta Cartridge	
(Regular Yield**):	1,000 pages @ 5% coverage
Cyan Cartridge	
(Regular Yield**):	1,000 pages @ 5% coverage
Black Cartridge	
(Regular Yield**):	1,500 pages @ 5% coverage
Ink Collector Unit:	Order# 405662

*All models ship with starter ink cartridges containing sufficient supply for 400 prints @ 5% image coverage. Total print volume depends on type of document and print mode selected.

**Yields are approximate and are based on Standard (Speed Priority) mode.

For maximum performance and yield, we recommend using genuine Ricoh parts and supplies.
