# Multiple functions.
## One level of productivity...
### the highest.

WorkCentre Pro 428

# XEROX®

# The hub of your office productivity

**The Xerox WorkCentre Pro 423/428 takes functions that have always been obstacles to office productivity and moves them to a new level of efficiency in one multifunction system. It offers all the advantages of networked document management by integrating digital printing, copying, scanning, and faxing in a single easy-to-use system. Your demanding office environment just got a little less demanding.**
# Xerox WorkCentre Pro 423/428

## Growing productivity, shrinking costs through workgroup printing for the entire office.

Xerox multifunction systems help you find better ways to do great work.

- Simple base configurations bring you all the essential features your office needs and a variety of options increase productivity even further.

- Saves time by eliminating the hassle of managing multiple, redundant devices.

- Reduces costs through one consumable package.

- Boosts up-time: Xerox multifunction systems are reliable digital devices. Fewer moving parts means less downtime and greater productivity.

*Add a finisher and boost productivity! Automatically staple collated sets as thick as 30 sheets.*

**Internet Protocol Printing**

Submit documents to be printed via the Internet when you're off-site

**Network Printing**

Information can be shared efficiently via the Internet and Intranet

**Network PC**

Hardcopy files can be scanned, stored, retrieved, printed and shared

**Internet Fax**

Reduce costs by faxing and scanning via the Internet
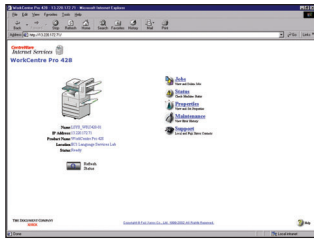

**Fax**

High quality walk-up faxing

**Copy/Scan**

Give your hardcopy a new, digital life

# So many features… so little cost

## Optimize printing performance for workgroups.

*Don't just print. Produce. Really produce... with **network printing** and features that traditionally come with a higher price.*

- An Embedded Web Server (EWS) allows you to monitor print jobs and run status using a PC browser. Users can set print and fax functions from the PC. Network administrators can better understand and support the office's printing needs.

- Print via the Internet from any location using Internet Protocol Printing (IPP).
- Secure Print holds confidential documents until you release them using a password. Sample Print reduces waste by printing one set for examination before printing the rest.

- Add watermarks to documents to clearly label them as "Confidential" or "Urgent."

- Connect directly to a workstation with either a **parallel** or **USB connection**, or to a **wide range of network environments** such as TCP/IP, Ethernet, Novell, and many others with the built-in Network Interface Card.

## Multiply your productivity.

*The WorkCentre Pro 423/428 gives you high quality copies… quickly and reliably.*
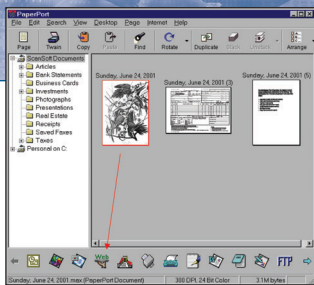

*Customize the touch screen to display the features you use most.*

- Digital features give your documents new life. Get sharper image quality and crisper looking copies. Print multiple sets without manual sorting or create booklets quickly and easily.

- Simplify your everyday document production. Copy transparencies and multiple handouts with a single operation.

- Create double-sided documents at near rated speeds.

## Convert hardcopy to digital.

*Optional WorkCentre Pro 423/428 features come bundled with industry-leading scanning software, ScanSoft's PaperPort Deluxe 7.0 and TextBridge Pro Millennium Business Edition.*
- Scan 1 or 2-sided and up to Ledger size originals. Use CentreWare Scanning Services 5.3 to store the TIFF files on the network.

- Use PaperPort Deluxe to view scanned documents, then drag and drop them into other desktop or network applications.

- OCR text documents with TextBridge and make them editable and available to all of your applications.

## Faxing as convenient as a phone call, as fast as an email.

*Traditional **phone faxing** has never been easier for you, or more beneficial for your bottom-line.*

- Fax 2-sided, Ledger, or bound documents at up to 600 dpi so your faxes, both in and out, look professional.
- PC Faxing allows you to eliminate the hardcopy

and fax directly from your PC at 33.6 Kbps.
- Expecting a confidential document? Fax to Mailbox stores faxes securely until you are ready to receive them.

*Faxing is surprisingly easy when it uses the **Internet** instead of the phone lines.*

- Receive incoming faxes as fast as email. No more busy signals that block productivity.

- Reduce costs by eliminating long distance telephone charges.

## A Total Office Document Management Solution.

The WorkCentre Pro 423/428 offers the features and intelligence to manage your documents at new levels of efficiency from data capture, information sharing, storing, printing and copying.

## Printer Specifications for Printer/Copier Configurations

| | |
|---|---|
| Speed | 23/28 pages per minute |
| Resolution | 2400 x 600 dpi interpolated with image enhancement technology |
| Print Drivers | PCL6 for Win 95/98/NT 4.0/2000/ME/XP (standard) PostScript for Win 95/98/NT 4.0/ 2000/ME/XP (optional) PostScript for Mac available only for Appletalk. |
| Network Protocols | SMB, TCP/IP, Netware 3.x, 4.x, 5.x, DHCP, IPP1.1, HTTP, AppleTalk/EtherTalk |
| Administration Protocols | DHCP, BOOTP, SNMP, WINS, DDNS |
| Page Description Languages (PDL) | PCL 6 (PCL 5e, HP-GL2) PostScript Level 3 (optional) |
| Device Management | Xerox CentreWare Web, Xerox CentreWare for Unicenter TNG, Tivoli NetView, and HP OpenView |
| Device Memory | 96 MB and 15 GB print hard drive standard |
| Interfaces | USB, IEEE 1284 Parallel 10/100 Base T, Wireless Ethernet (IEEE 802.11b) via third-party adapters |
| Output Management Solutions | SAP Intelligent Barcode Utility provides built-in process inelligence that allows the printing of barcodes on any appropriately configured Adobe PostScript printer on the SAP network. |
| Minimum System Requirements | 386/DX or better Processor, 8 MB RAM, CD ROM Drive, 9 MB free Hard Disk space |

## Copier Specifications

| | |
|---|---|
| **Speed** | |
| Copies Per Minute (cpm) | 23/28 cpm (Letter LEF) 12/15.5 cpm (Ledger 11 x 17") |
| First Copy Out | Approximately 4.5 sec or less |
| Reduce/Enlarge | Preset modes, plus Zoom R/E in 1% increments (25% - 400%) |
| Productivity | Scan Once/Print Many Electronic Pre-Collation |
| Platen Size (Max original) | 11 x 17" |
| DADF Size (Max original) | 11 x 142" (simplex), 11 x 17" (duplex) |
| Image Quality Controls | Text, Photo, Text and Photo |
| Copy Quantity | 1-99 |

## Network Scanner *(Optional)*

| | |
|---|---|
| Scanning Size | Statement (5.5 x 8.5") to Ledger (11 x 17") |
| Scanning System | Fixed CCD Scan |
| Data Compression | MH, MR, MMR, JBIG |
| Resolution/Halftone | 600 dpi, 400 dpi, 300 dpi, 200 dpi, 256 Tones |
| Scanning Speed | 130mm/s = 36 sheets/min (Letter LEF)  (1.65sec/Letter LEF) |
| Compatible OS/Client | Windows, 95/98/ME/XP, Windows NT 4.0, Windows 2000 |
| Protocol | TCP/IP |
| Scanning Mode | Text, Text & Photo, Halftone |
| Scanning Software | Xerox CentreWare® 5.3, ScanSoft PaperPort Deluxe 7.0, TextBridge Pro Millennium Business Edition |

## Fax *(Optional)*

| | |
|---|---|
| Transmission Speed | 4 sec. per page (ITU-T (CCITT) No.1. Standard resolution ) |
| Modem Speed | Up to 33.6K bps |
| Data Compression | MH, MR, MMR, JBIG |
| Sending Document Size | Letter, Legal, Ledger |
| Transmit Resolution | 200 x 100 dpi standard, 200 x 200 dpi, 400 x 400 dpi, 600 x 600 dpi |
| Receive Resolution | 600 dpi, 400 dpi, 300 dpi, 200 dpi; 16, 12, 8 lines / mm |
| Memory | Standard: 202 pages (2 MB / MMR) Optional: 960 pages (1GB Fax Hard Disk Drive / MMR) |
| **Dialing** | |
| Speed Dials | 200 |
| One Touch Dials | 70 |
| Group Dials | 50 |
| Document Size | Letter (SEF), Legal (SEF), Ledger (SEF) |
| Document Length | Maximum: 142" |
| Requirements | Printer/copier configuration also requires Print Fax Interface Cable |

## Internet Fax *(Optional)*

| | |
|---|---|
| Maximum Document Size | Ledger (11 x 17") |
| Scanning Density | 600 dpi, 400 dpi, 300 dpi, 200 dpi; 16, 12, 8 lines/mm Ledger (11 x 17") |
| Format | TIFF-FX |
| Profile | TIFF-S; TIFF-F; TIFF-J (independent expansion 600 x 600 dpi) |
| Protocol | Transmission: MIME method, SMTP method Reception: SMTP, POP3 |
| **Services Provided** | |
| Scan to Email | Email sending of scanned image data |
| Email to Print/Box | Print/storing Email to a confidential box |
| Email to Fax | Fax transmission of Email received document |
| Fax to Email | Email transmission of a fax received document |
| Requirements | - Printer/Copier configuration - Fax & Scan kit - Internet fax kit - Network connection with communication through TCP/IP - The environment should allow the sending and receiving of E-mails. |

## Media Handling

| | |
|---|---|
| **Input Paper Capacity** | |
| Standard trays | Three 500 sheet trays |
| Bypass tray | 100 sheets |
| Output Capacity | 500 sheets |
| **Paper Weight** | |
| Standard trays | 60 g/m²-150 g/m² or 16 lbs to 40 lbs |
| Bypass tray | 60 g/m²-150 g/m² or 16 lbs to 40 lbs |

## Specifications

| | |
|---|---|
| **Paper Sizes** | |
| Tray 1 | Statement (5.5 x 8.5") - Letter (8.5 x 11") |
| Tray 2-4 | Letter (8.5 x 11"), Legal (8.5 x 14"), Ledger (11 x 17") |
| Bypass tray | 8.5 x 5.5" - 11 x 17" |
| Duplex Automatic Document Handler | 50 sheets |

## General

| | |
|---|---|
| **Weight (Base Configurations)** | |
| Copier | 225 lbs. or 120 kg |
| Printer/Copier | 237 lbs.or 107.5 kg |
| Dimensions (L x D xH) | 755 x 669 x 1125 mm 29.7 x 26.3 x 44.3" |
| Voltage | 110V to 127V +6%/-10%, 50/60 Hz |
| Power Consumption | 1500 watts maximum |
| Power Saver Mode | WCP 423: 93 watts max. WCP 428: 112 watts max. |
| **Operating Environment** | |
| Temperature | 10° - 35°C (50° to 95°F) |
| Relative Humidity | 15% - 85% RH (non condensing) |
| Exp. Monthly Volume | 15,000 |
| Duty Cycle | 100,000 |

## Supplies

| | |
|---|---|
| **Approximate Yield:** | |
| Toner/Drum Single Cartridge | 24K @ 6% area coverage *28.8K @ 5% area coverage *calculated |
| Optional Staple Cartridge | 3,000 staples per cartridge, 3 cartridges per package |

## Safety & Certifications

- Listed by Underwriters Laboratories, Inc. in compliance with requirements for the USA and Canada.
- Windows Hardware Quality Labs

## Accessories

| | |
|---|---|
| Fourth Input Tray (500 sheets) | Complements standard 1600 page input supply |
| Finisher/Stapler | 2 bins: 200 sheet capacity – face up and 500 sheet capacity – staples up to 30 sheets |
| PostScript 3 Kit | PostScript 3 for printer device |
| Network Print Kit | Required to enable print functionality. Includes NIC card, 64MB expansion memory, 15GB Print Hard Disk. This kit is standard with the Printer/Copier configuration (Pi). |
| Fax & Scan Kit | Required to enable standalone fax and Scan to mailbox |
| Internet Fax Kit | Required to enable Scan to email, email to Print/Box, email to Fax, Fax to email |
| CentreWare Scan Services | Required to enable Network Scanning (Scan-to-File/Server). Network Administrator or Analyst with administrative rights is required to facilitate proper setup. |
| Fax Hard Disk Drive (1GB) | Increases fax memory from 200 to 960 pages. Recommended to enable transmission of higher resolution images and to increase mailbox memory for scanning to mailbox jobs. |
