The mobile office for notebook and printer

A functional case made of aluminium for all commonly used notebooks and printers from Canon, HP, and Olivetti.

The stable case and the floor cushioning in the notebook compartment guarantee maximum protection for the computing equipment within. The notebook is removed from the case for use, while the printer remains in the case on the floor (floor to desk principle). The printer is securely fastened to the case lid, and this is simply opened to allow printing.

Documents and power supply units are neatly stored in separate compartments. The cabling is kept within the case and power is provided via the multiple plug supplied. There is additional storage space for mobile accessories in the workstation located in the front cover.

An optional feature is Quickfix, the exact-fit holding device for Canon, HP, or Olivetti.

Specification:

Colour:	Black
Dimensions:	430mm x 370mm x 200mm OR 16.5" x 14.2" x 7.9"
Weight:	3.2kg
Material:	1200 D Polyester
For Notebooks up to:	15.4"
For Printers:	Canon, Olivetti, HP

Part Codes:

N6608AHY
